

MAKE A DIFFERENCE

SUMMER CLIMATE JUSTICE LEADERSHIP ACADEMY

What is the Academy?

An intensive 6-week program for youth and young adults 15-24 years old in Oakland run by New Voices Are Rising and the Oakland Climate Action Coalition. Join a community of people who want to make sure that all Oakland residents can survive and thrive in a changing climate.

What will you get to do?

Intern with one organization fighting climate change and making Oakland a healthier place for all.

Take fieldtrips to see pollution up close and personal and solutions people are putting into action right now.

Organize a summit on how we can protect our neighbors, friends, and family from the effects of climate change.

Gain job experience and leadership skills.
