

October 28 Convening Action Worksheet for Individual Participants

Session 1: Why and How we Organize; an Introduction to Organizing as Art and Science (9:30-10:45)

Based on this session, two things our organization should do (or consider doing) differently are:

1.

2.

If time: Fill in more details about how you'll bring along the rest of your team not at the Convening to understand these recommended actions.

Session 2: The Art and Science of Organizing (11-12)

Based on this session, two things our organization should do (or consider doing) differently are:

1.

2.

If time: Fill in more details about how you'll bring along the rest of your team not at the Convening to understand these recommended actions.

Breakout Session: Volunteer Management (1-2:10)

Based on this session, two things our organization should do (or consider doing) differently are:

1.

2.

If time: Fill in more details about how you'll bring along the rest of your team not at the Convening to understand these recommended actions.

Breakout Session: Great one-on-one meetings (1-2:10)

Based on this session, two things our organization should do (or consider doing) differently are:

1.

2.

If time: Fill in more details about how you'll bring along the rest of your team not at the Convening to understand these recommended actions.

Session 3: Organizing with a Campaign Mentality (2:20-3:30)

Based on this session, two things our organization should do (or consider doing) differently are:

1.

2.

If time: Fill in more details about how you'll bring along the rest of your team not at the Convening to understand these recommended actions.

Miscellaneous Action Steps

Based on things I observed today, two additional things our organization should do (or consider doing) differently are:

1.

2.

If time: Fill in more details about how you'll bring along the rest of your team not at the Convening to understand these recommended actions.
